

# Carpentries Roles Worksheet

Write the letter of the correct match next to each role.

- |                                  |  |
|----------------------------------|--|
| _____ Instructors (Mentors)      | A. Help to plan and run Carpentries workshops at their institutions  |
| _____ Trainers                   | B. Teach workshops and form the cornerstone of the Carpentries community. Help new instructors integrate into the community by leading discussion sessions. Some also lead small mentoring groups to help new instructors prepare for their first few workshops. |
| _____ Lesson developers          | C. Carpentries instructors who have received additional training in pedagogy. They train new instructors, develop the instructor training curriculum, and lead teaching demonstrations.  |
| _____ Lesson maintainers         | D. Make strategic decisions about the future of the organization and its operations.   |
| _____ Lesson Infrastructure Team | E. Oversee curricular changes and maintain the high-quality of Carpentries lessons.  |
| _____ Assessment Team            | F. Help with AMY, data analysis, surveys, and providing systems administration and other support infrastructure functions.   |
| _____ Executive Council          | G. Make decisions about and implement changes to lesson templates to ensure a good user experience across our lessons.   |
| _____ Champions                  | H. Create Carpentries lessons for new subject areas  |
| _____ Infrastructure Team        | I. Help us to understand the impact of our workshops on the learners who attend and guide the development, implementation, and instruction of our workshops based on these assessments.  |
| _____ Workshop Coordinator       | J. Advocate for the Carpentries within their home institution and region, growing a local network of Carpentries instructors and supporting workshop learners.   |

## What's Your Role?

Think about your various experiences, skills, and interests and then consider which of the roles within the Carpentries organizations that are described above fit you best. In what ways would you be interested in working with the Carpentries? For which roles are you a good fit?
